

# MedKnowledge

Empowering Medical Education Through AI

---

## About the Platform

MedKnowledge is a free, AI-powered learning platform built for Medical, Nursing and Allied Health students. It brings together structured notes, daily practice questions and clinical case discussions in one place, supporting students beyond the classroom at no cost.

## What Students Get

- AI-powered Study Assistant
- Medical Notes
- Daily MCQs
- Clinical Case Discussions
- Anatomy, Physiology, Pharmacology, Pathology, Microbiology
- Medical Terminology
- Nursing Resources
- Allied Health Resources
- 24/7 Learning
- Mobile-friendly access
- Completely free access

## Why Institutions Trust Us

- Registered Indian Private Limited Company
- A genuine educational mission, not a marketing funnel
- Affordable, sustainable AI-driven learning
- Continuous platform improvements
- A student-first philosophy in every decision

## How to Share MedKnowledge

Institutions are welcome to share MedKnowledge with students via email, WhatsApp, Telegram, the college website, the student portal, or the notice board. Visit the platform directly at:
